

CONSTRUCTION NOTICE

WHAT:

City-wide Outdoor Warning Siren System.

WHEN:

Beginning March 20, 2023 through June 2023 (weather permitting).
 Work hours are 8:00 A.M. – 6:00 P.M. Monday to Friday, with occasional weekends and nighttime.

WHERE:

- 12 locations within the City (see map).

Dear Residents,

The City’s contractor, Syblon Reid, will begin the installation of a City-wide outdoor warning siren system at 12 different locations within the City.

The siren system will add an additional layer of notification in the event of an emergency or disaster. This system may be utilized in the event of an extreme natural or man-made threat facing the City.

What to Expect:

- Construction crews and equipment.
- No parking signs and traffic control devices such as cones, delineators, and arrow boards in certain locations.
- Lane closures and traffic shifting in certain locations.
- Separate notices will be delivered by the contractor to residents adjacent to the work area at least three days in advance of commencing the work.

Project: **City-wide Outdoor Warning Siren System**
