

SCREENING FORM

For existing wood-frame multi-family buildings with soft, weak, or open front walls

The Screening Form is the first milestone set forth in Ordinance 18-O-2767 and Title 9, Chapter 5, Article 4 of the Beverly Hills Municipal Code for the retrofit of existing wood-frame multi-family buildings with soft, weak, or open front walls.

The Screening Report is intended to provide additional information to determine if a building is in the scope of the ordinance and a retrofit is required or if the building is exempt from further evaluation.

The building information provided in the screening form will be reviewed by the City of Beverly Hills to determine whether the seismic retrofit is required, in accordance with Ordinance 18-O-2767 and Title 9, Chapter 5, Article 4 of the Beverly Hills Municipal code.

Instructions

The Screening Form has two parts, Part A and Part B.

- Part A of the Screening Form must be completed by a Professional Civil or Structural Engineer or Architect licensed by the State of California and submitted to the City for review and approval within six months of the date of the Notice to Comply. After review of the submitted Screening Form and supporting documentation, if it is determined that the building is already in compliance with the mandatory requirements of Ordinance No. 18-O-2767; the building will be deemed in compliance and removed from the active list and no further retrofit will be required.
- Part B of the Screening Form must be completed and signed by the Property Owner acknowledging the building at the site address is within the scope of the mandatory ordinance and is required to be retrofitted. Part B of the Screening Form must also be submitted to the City within six months of the date of the Notice to Comply.
- Please note that each buildings on a parcel requires an individual Screening Form to be submitted to the City within the Compliance timeframe set on the Notice to Comply.

Additional information about the Seismic Retrofit Program can be found at:

SCREENING FORM – PART A

For existing wood-frame multi-family buildings with soft, weak, or open front walls.

Section 1: Building & Owner Information

Building Information:

Building Address:			
Parcel Number:		Year Built:	
Living Units:		No. of Stories above Grade:	
Basement:	Full <input type="checkbox"/>	Partial <input type="checkbox"/>	None <input type="checkbox"/>

Owner Information:

Name:			
Mailing Address:			
City, State:		Zip Code:	
Phone:		Email:	

SCREENING FORM – PART A

For existing wood-frame multi-family buildings with soft, weak, or open front walls.

Must be completed by a Professional Civil or Structural Engineer or Architect licensed by the State of California.

Section 2: Scope of Determination & Building Type

- | | <u>Yes</u> | <u>No</u> |
|-----------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|
| 1. Was the permit for construction applied for before January 1, 1978? | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. Is the first story of the building Type V (wood-frame) construction? | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. Does the building have an open wall line(s) or open ground floor parking on the first floor similar to the configuration(s) exhibited on Page 9? | <input type="checkbox"/> | <input type="checkbox"/> |

If Yes, which configurations apply? **Type:** A B C D E
(Check All that Apply)

If any of the questions 1 through 3 above are No: The building may be exempt from compliance with Title 9, Chapter 5, Article 4 of the Beverly Hills Municipal code.

If ALL three of the questions 1 through 3 are marked Yes: The building is subject to compliance with Title 9, Chapter 5, Article 4 of the Beverly Hills Municipal code. Complete Section 3 and 5.

Previous Retrofit: Has the building been retrofitted previously? Yes No

If yes, complete section 4 also.

SCREENING FORM – PART A

For existing wood-frame multi-family buildings with soft, weak, or open front walls.

Must be completed by a Professional Civil or Structural Engineer or Architect licensed by the State of California.

Section 3: Plan/Elevations Sketches & Photographs

In order to determine the status of the building and its compliance with Title 9, Chapter 5, Article 4 of the Beverly Hills Municipal code, the following documents shall be submitted as attachments and reviewed by the Community Development Department.

- 1) Provide a dimensional and scaled floor plan¹ of the ground floor.
The plan shall include the following:
 - a. A dotted outline of the floor above the ground floor
 - i. include the locations and dimensions of balconies, cantilevers, and setbacks
 - b. Provide labels identifying areas of different use or occupancy
 - c. Indicate north with an arrow and show street names lining the property
- 2) Provide elevations¹ of the perimeter walls indicating size of openings and total length of wall (openings shall include windows, doors, etc.)
 - a. Indicate wall material (e.g. wood frame, steel frame, concrete, block or brick)
- 3) Provide photos² of all perimeter walls
 - a. Label each elevation depicted in the photo (e.g. north, south, east, west)
 - b. Please provide a date the photo was taken
- 4) Identify Scope of Retrofit
 - a. Clearly identify on the drawings which wall lines are to be retrofitted.

Upon review of the documents listed above, the Community Development Department may require additional information.

Note: ¹Documents to be in 8 ½ x11 or 11x17 format only.

²For elevations visible from the street using Google Street View, snapshots will be accepted as long as the entire wall face is visible and not blocked by any obstructions.

SCREENING FORM – PART A

For existing wood-frame multi-family buildings with soft, weak, or open front walls.

Must be completed by a Professional Civil or Structural Engineer or Architect licensed by the State of California.

Section 4: Previous Retrofit

Has a previous seismic retrofit been completed? Yes No

Does the previous completed seismic retrofit meet or exceed the requirements of Title 9, Chapter 5, Article 4 of the Beverly Hills Municipal code? Yes No

If yes, please provide the permit number: _____ Date of Retrofit: _____

Please attach supporting documentation to include drawings and supporting calculations for review by the Community Development Department.
