Do you take care of a 2 or 3 year old? Maybe you're a grandparent, a family member or friend helping out, a babysitter, or a parent – all are welcome to this free and fun educational program

that will help you support your child's development, and help them build the skills they will need for preschool.

Each Friday, we will explore many different learning activities and games, enjoy a storytime, and go home with great takeaways!

As we'll be offering different themes and learning activities each week, please plan to attend at least 3 of the 5 classes. This will also be a great opportunity to connect with other caregivers!
