## **Open Air Dining Permit Planning Review Application**

---

### **Application Overview:**

Before submitting a request for an Open Air Dining Permit, the Applicant should thoroughly review this application, as well as the Beverly Hills Municipal Code (BHMC), available online at [www.beverlyhills.org/planning](http://www.beverlyhills.org/planning) (click on "Zoning Code"). The Applicant should also consult with City staff that will be involved in reviewing and processing the application, primarily in the Community Development Department. Electronic copies of all Planning Review Applications are available on the City's Planning Division webpage at [www.beverlyhills.org/planningapplications](http://www.beverlyhills.org/planningapplications).

**Applications will not be accepted if they are not fully complete at the time of submittal.**

### **Application Table of Contents:**

There are five (5) parts to this application. Each section must be completed in its entirety, and all requirements must be met in order for this application to be accepted for filing.

**Section 1** – Property Information & Project Description

**Section 2** – Owner Authorization & Applicant Team Contact Information

**Section 3** – Supplemental Questions

**Section 4** – Public Notice Requirements

**Section 5** – Submittal Requirements & Checklist

### **Filing Fee:**

## Section 5 – Submittal Requirements & Checklist

### **Architectural Plans Required:**

- **Staff/Director-Level Review:** three (3) 11”x 17” sets of architectural plans are required.
- **Planning Commission Review:** three (3) 11”x 17” sets of architectural plans are required for initial submittal. \*Please note that additional sets at a larger size (12”x 18” or 18”x 24” or 24”x 36”) may be requested by the Planner
  - **All plan sets** must be stapled, **drawn to scale**, and legible.
  - **All plan sheets** must include an architect title block, a graphic scale, the owner’s or authorized agent’s name, address, and telephone number, the project address, and a North Arrow.
  - The following plans in the checklist must be included in the architectural plan set. *Inconsistency between drawings, renderings, materials, etc., will be considered an incomplete submittal. Only complete applications will be accepted for filing.*

**NOTE:** You will be required to submit additional plans (**total of 10 sets**) once the application is ready for review by the decision-making body. If the proposed project requires multiple applications for separate requests, the submittal requirements of the applications may be combined at staff’s discretion. If submitting a site plan and massing model for public distribution purposes per SB 1214, please indicate that on relevant drawings.

† Items marked below with this symbol may not be required for every project, at staff’s discretion. Please consult with City staff whether or not such requirement may be waived for application submittal. In order to request a waiver from any of the requirements listed below, please submit a written request specifying the requirement and the reason it is not applicable to the proposed project.
