

STATEMENT OF CRAIG CORMAN

Candidate For Member
Of The City Council
Beverly Hills City General
Municipal Election

Age: 64

Occupation: Beverly Hills
Commissioner/Attorney

I'm running for City Council because I want to ensure Beverly Hills remains a safe, secure, and prosperous community. My priorities are to strengthen public safety, focus on humanely resolving homelessness issues, support local businesses, and improve City services in all areas.

I've lived here nearly all my life - I attended Hawthorne and Beverly High, and raised my own family just up the street from where I grew up. I believe my knowledge of the City, legal background, and extensive experience in community affairs can help the Council manage the unprecedented challenges we're facing and continue to provide the quality of life we've long enjoyed.

Throughout my 8 years on the Planning Commission and 5 years on the Cultural Heritage Commission, I've listened fairly to all perspectives and tried to build consensus whenever possible, with the goal of always doing what's best for residents and businesses. I pledge to continue to do that on the Council. I've also steadfastly remained independent of special interests, and that will never change.

Serving on the Council is an honor and a privilege, and with your support, I will dedicate myself to serving you and safeguarding the City we love.
