Next Beverly Hills is a committee of talented local leaders chartered by the Mayor and the City of Beverly Hills to engage residents between the ages of 25 and 45 through innovative initiatives that address their lifestyle, economic, and civic needs, and to inspire them to make Beverly Hills a better place for all.

Pursuant to the Americans with Disabilities Act, the City of Beverly Hills will make reasonable efforts to accommodate persons with disabilities. If you require special assistance, please call (310) 285-1014 (voice) or (310) 285-6881 (TTY). Providing at least forty-eight (48) hours advance notice will help to ensure availability of services. City Hall, including the Municipal Gallery, is wheelchair accessible.

We heard you! Now see the vision!

After hearing all your ideas and receiving your feedback about La Cienega Park and its buildings, fields and programming, you can now see how your input was put into a conceptual design. Architects will present renderings, construction phasing options and preliminary construction costs.

We want to know what you think. The future of the park is in your hands.
