## **City Council Will Consider Employee Agreements at Feb. 2 Meeting**

Beverly Hills, CA – The Beverly Hills City Council will consider memoranda of understanding (MOU) with six employee groups at the Feb. 2, 2016 City Council formal meeting. These MOU's are the result of labor negotiations between the City and representatives of the employee groups, which were completed at the end of 2015.

The proposed MOUs cover salaries and benefits for four years through Sep. 30, 2019 for Management and Professional, Safety Support, Supervisors, Confidential, and Municipal Employees (full time and part time employee groups) associations.

The Firefighters' Association MOU was approved on Dec. 15, 2015. Current agreements for the Police Officers Association and Police Management Association will expire September 30, 2016 and the City and associations will begin negotiations for successor agreements in the coming months.

The six proposed MOUs and the approved firefighters MOU are posted on the City's website at [www.beverlyhills.org/mou](http://www.beverlyhills.org/mou).
