Assigned Project Building Inspector:

**Trousdale Estates Notification of Hauling Form**

**All Information Must Be Complete Prior to Approval**

The same form can be completed for multiple days, if the same vehicle is being used.

<b>Site Address</b>		<b>Permit Number</b>	
<b>Date(s) of Delivery/Haul</b>		<b>Time of Arrival Delivery/Haul</b>	
<b>Vehicle Company Name</b>		<b>Vehicle Type (Truck/Crane/etc.)</b>	
<b>Vehicle License Plate number(s)</b> <i>*If multiple vehicles from independent contractors, list all license plate #s.</i>			
<b>Daily # of Vehicles</b>			
<p>If using multiple trucks from the <u>material suppliers fleet</u> :</p> <p>The general contractor maintains all responsibility in ensuring that each vehicle supplied is pre-certified by the City. A list of certified vehicles is on file with the City and should be made available by the supplier company on request.</p>			
<b>Vehicle weight (unloaded)</b>		<b>Cargo weight</b>	
<b>Trailer Weight</b> <i>*If trailer is being used to haul, Combined Weight of Tractor/Trailer and load cannot exceed 50,400 lbs.</i>			
<b>Total weight of vehicle + cargo not to exceed 50,400 lbs</b>			
<b>Description of the material, equipment to be hauled to and/or from the job site.</b>			
<b>Zone 1 or Zone 2 Hauling Route</b>			
<b>Parking location for vehicle (Public Right of Way or On Project Site)</b>			
<b>Public Right of Way Use Permit Number (Required if Vehicle will be parked on street)</b> <i>*Must be obtained by general contractor prior to haul</i>
