Results in Brief

In accordance with the City Auditor’s FY 2019 Audit Work Plan, we performed an audit of the Agreement between the City of Beverly Hills (City) and the Beverly Hills Chamber of Commerce and Civic Association (Chamber) for Business Attraction and Retention Services for FY 2018-19 (Agreement). Specifically, our objectives were to:

- Evaluate whether business attraction and retention services expenses are reasonable; and

- Verify that components agreed upon by the City and the Chamber in the FY 2018-19 work plan occurred.

Based on our review of financial data provided by the Chamber, we found that FY 2018-19 work plan expenditures appear to be reasonable. Further, we found that, with limited exceptions, the components listed in the FY 2018-19 work plan occurred.¹

We provided a copy of this report to City and Chamber staff for their review. They generally concurred with the report and only had minor comments.

Background

The Beverly Hills Chamber of Commerce (Chamber) is a membership organization comprised of about 800 local businesses. Their mission is to empower businesses to thrive by being an invaluable resource for optimizing connections. The City of Beverly Hills (City) has a partnership with the Chamber to conduct or participate in business attraction and retention programs for the benefit of the City.

Fiscal Year 2018-19 Work Plan

As shown in Exhibit 1, the City provided funding to the Chamber for 14 programming activities that occurred during the period of July 1, 2018 through June 30, 2019 for business attraction and retention programs services. The amount of $334,390 was in accordance with the work plan and budget submitted by the Chamber, and as modified, at the September 17, 2018 City Council Study Session.² Appendix II (page 17) summarizes the 13 components that the Chamber agreed to provide to the City. The 14th component – Holiday BOLD Programming – was a later addition reflected in Amendment No. 1 to the Agreement.

¹ The exceptions to the FY 2018-19 work plan components are described further on page 3.
² An additional $8,750 was added to the work plan for Holiday BOLD Programming in Amendment No. 1 to the Agreement.

Audit Results

Fiscal Year 2018-19 Work Plan Expenditures Appear To Be Reasonable

We reviewed all available information provided by the Chamber in support of FY 2018-19 work plan expenditures and determined that work plan expenditures appear to be reasonable. Chamber staff provided us with calculations supporting FY 2018-19 work plan expenditures.\(^3\)

We reviewed the terms of the Agreement, which require that the City compensate the Chamber for expenses incurred in the performance of the Agreement.\(^4\) Further, per Amendment No. 1 to the Agreement, the Chamber is required to accept in full satisfaction for such services, a sum not to exceed $334,390, which includes reimbursement for all actual and necessary expenditures incurred in the performance of the Agreement (including, but not limited to, all labor, materials, delivery, tax, assembly, and installation, as applicable).\(^5\) Based on our review, work plan expenditures appeared reasonable.

With Limited Exceptions, the Components Listed in the FY 2018-19 Work Plan Occurred

The FY 2018-19 work plan consisted of 14 components including the New York Business Attraction and Retention Mission, My Beverly Hills, and the San Francisco Business Attraction and Retention Mission. Each work plan component involved different obligations such as monthly meetings, multi-day trips, or bi-yearly open houses. We reviewed a variety of supporting documentation for each component including agendas, summary reports, marketing materials and presentations and determined that, with limited exceptions, the components listed in the FY 2018-19 work plan occurred.

While the components listed in the Agreement were substantially completed, there were some minor exceptions. Specifically:

- The Economic Sustainability Plan Support was carried over to FY 2019-20 at the request of the City due to a change in timing on development of the plan. The original amount budgeted for this component was $10,085. However, half of this amount ($5,042.50) was spent in FY 2017-18 before the Chamber received notice not to proceed. The remaining balance of $5,042.50 was carried over to FY 2019-20.

- Only four of 12 scheduled Mayoral Business Retention meetings occurred throughout FY 2018-19 due to scheduling conflicts. According to Chamber staff, the remaining eight meetings and $5,248 from the FY 2018-19 budget will be rolled over to FY 2019-20.

- The FY 2018-19 work plan specified 12 monthly planning meetings for Destination Master Plan Strategic Support. However, the CEO of the Beverly Hills Conference & Visitors Bureau confirmed that the meeting period was condensed from 12 months to an approximately 6-month period so that findings and recommendations could be provided to the City Council before the end of 2018. There was no carryover amount for this work plan component.

---

\(^3\) Chamber staff provided calculations supporting $325,640 outlined in the Agreement. See Appendix II for Agreement. Calculations were not provided for the additional $8,750 for Holiday BOLD Programming outlined in Amendment No. 1 to the Agreement.

\(^4\) Refer to Section 3(a) of the Agreement. See Appendix II for Agreement.

\(^5\) Refer to Sections 3(a) and 3(b) of the Agreement. See Appendix II for Agreement.
The Economic Development Portal began in FY 2018-19 but was placed on hold until FY 2019-20 at the request of the City in order to coincide with the launch of the City’s new website. A total amount of $5,525 was carried over to FY 2019-20 for the Economic Development Portal.

**Conclusion**

The Chamber’s expenditures appear reasonable. Agreed upon activities occurred as planned with some minor exceptions, primarily due to scheduling issues. No recommendations were necessary.
Appendix I: Objectives, Scope and Methodology

In accordance with the City Auditor’s FY 2019 Audit Work Plan, we performed an audit of the Agreement between the City of Beverly Hills (City) and the Beverly Hills Chamber of Commerce and Civic Association (Chamber) for Business Attraction and Retention Services for FY 2018-19 (Agreement). Specifically, our objectives were to:

- Evaluate whether business attraction and retention services expenses are reasonable; and
- Verify that components agreed upon by the City and the Chamber in the FY 2018-19 work plan occurred.

To evaluate whether business attraction and retention services expenses were reasonable, we interviewed Chamber and Policy and Management staff regarding the annual work plan budget process and the travel policy. We also reviewed calculations provided by the Chamber supporting the FY 2018-19 work plan expenditures. Work plan expenditures were a combination of labor, material and travel expenses.

To verify that components agreed upon by the City of Beverly Hills and the Beverly Hills Chamber of Commerce in the FY 2018-19 work plan occurred, we reviewed supporting documentation provided by Chamber staff and reconciled these documents to components listed in the FY 2018-19 work plan. Supporting documentation for work plan components included agendas, summary reports, marketing materials and presentations.

We conducted this performance audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

CHAMBER shall obtain CITY approval in writing prior to installation. CITY shall have sole discretion over the design, placement, and duration of display and shall retain ownership of all banners funded under this Agreement.

Section 2. Payments.

CHAMBER shall submit written requests for advanced payments for expenditures based on the schedule listed in Exhibit B, attached hereto and incorporated herein, for the various projects as set forth in Attachment 1 to Exhibit A. (b) With reasonable notice from CITY, CHAMBER shall provide to CITY copies of any and all work product, documents, reports, property, and books produced by CHAMBER in fulfillment of this Agreement ("Documents"). This shall be solely for the purpose of confirming and evaluating the execution of the programs described in this Agreement and shall not include records and documents unrelated to the execution of such programs (e.g., personnel records). The system shall detail all costs chargeable to CITY under this Agreement and shall substantiate all such costs, and comply with any applicable State and Federal standards.

(e) CHAMBER shall endeavor to develop, in consultation with CITY, a program-based budget for all CITY-funded programs. Implementation of a program-based budget is not intended to affect the requirements outlined in paragraph (c) of this Section relating to generally accepted accounting principles.

All Work Product shall be considered to be "Works made for hire", and all such Work Product and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of CITY without restriction or limitation upon their use, duplication or dissemination by CITY.
