MEDIA RELEASE

Office Theft Series

The Beverly Hills Police Department is seeking the public's assistance in identifying a suspect linked to two unsolved Commercial Burglaries.

On November 18, 2016, a female suspect was captured on surveillance video entering an unoccupied office suite in the 400 block of N. Roxbury Drive in Beverly Hills. The suspect was observed on surveillance looking through various office drawers and cabinets. The suspect is believed to have taken currency and a camera from the location.

On March 25, 2017, a female suspect was captured on surveillance video entering the same office building, different suite. The suspect was again observed on surveillance video looking through various office drawers and cabinets. The suspect is believed to have taken currency from that location.

Based on the surveillance images, Detectives believe the same suspect committed both crimes. The suspect is described as a female, unknown race, 60-70 years of age, grey hair, and wore bulky clothing and gloves during the commission of both crimes.

Anyone with information about these crimes or the identity of the suspect is encouraged to contact the Beverly Hills Police Department Detective Bureau at (310) 285-2158.
