The City of Beverly Hills warmly welcomes fine artists to apply to the Beverly Hills Art Show. The Beverly Hills Art Show attracts an estimated 40,000 patrons during the third weekends of May and October. This outdoor exhibit takes place on the grassy terrain of the historic Beverly Gardens Park along Santa Monica Boulevard. This show has grown to become one of the largest and most respected outdoor shows on the west coast, attracting not only the finest artists of Los Angeles, but globally as well. In addition to original art, this two-day show offers an outdoor dining area, a wine & beer garden with live music, artist demonstrations, and an artists’ reception. This event takes place rain or shine!

The May 20-21, 2023 show will take place from 10 a.m. to 6 p.m. on both days. In order to produce an art event of the highest quality for the public and our selected artists, the City of Beverly Hills has implemented application standards.
VETTING PROCESS
Your artwork, as shown in 8 pictures of 8 different art pieces within a single media category, as well as a complete set-up display photograph (or accurate, detailed drawing), are the major determining factors for acceptance. You are submitting your artwork, and yours alone.

- An independent jury panel will review quality, originality and presentation of artwork in comparison with other applicants in the same media category.
- These independent jurors are art professionals, ranging from curators to artists.
- A new group of jurors is recruited for each show.
- Acceptance to previous shows NEVER guarantees acceptance to the current art show that you are applying for, as we are committed to presenting new artists just as much as we are to showing returning artists.
- All artists must understand that the art/artists are selected for the event using qualified, independent art professionals. Unfortunately, not all applicants will be selected for the show, and the panel's decisions are final.

APPLICATION and ACCEPTANCE FEES
The application deadline is February 14, 2023 and is $35 (non-refundable). Late application deadline is February 21, 2023 and is $55 (non-refundable). The acceptance/booth fee is $415. These fees constitute the only fees and/or commissions which are charged by the City of Beverly Hills/Beverly Hills Art Show.

*There is no charge for parking to any artist during official set-up, breakdown, and throughout the weekend of the show, when parking in City-designated locations.

An artist may apply in more than one category, but ultimately will only be allowed to display in one category. If an artist is accepted in more than one category, art show staff will ask the artist to decide in which category they prefer to display. Each artist's space is for the display of ONE MEDIUM, one body of work, WITHIN ONE CATEGORY. Applying in two categories requires two separate applications, and therefore two separate application fees. Please consider this before applying in two categories. Should you be accepted to the show, you, as the artist, must be present throughout the entire weekend to show your work.

Please read carefully

Allotted spaces are a MAXIMUM of 13 ft. deep X 13 ft. wide on grass. Wall unit height may not exceed 8’ tall. A photo (preferred) or accurate drawing of your display/set-up is required. You do need to think about exactly how you will set up this area, what equipment you will use, and then produce a photo or a drawing based on your plan for the space. **This is required. **EQUIPMENT & SETTING UP**

Artists must provide their own display equipment as the City does not provide booth displays, canopies, or other equipment. A private vendor will be available to assist artists in fulfilling some equipment needs for canopies, wall units, and other smaller items. If you have questions, please email [artshow@beverlyhills.org](mailto:artshow@beverlyhills.org).
Artists may set up their display, including equipment and art, on Friday, the day before the show, or on Saturday morning before the show opens. Artists may request their preferred set-up time in the application. Artists who set up on Friday are also allowed to complete or touch up their displays on Saturday morning before the show opens. Although security is on-site throughout the entire weekend, show staff strongly suggests that artwork be covered and/or hidden from view when show is not taking place.

EXHIBIT SPACE REQUEST
Please consider, art show staff work closely with over 230 artists to successfully produce a high-quality show. Exhibit spaces can be requested however there is NEVER a guarantee. The Art Show Committee must take several factors into consideration such as: visual impact, flow of foot traffic, and the aesthetics of each new show. As mentioned, show staff seeks a clean, uncluttered, gallery-type display, and relies heavily on display photos/drawings provided by the artist.

ARTIST ATTENDANCE
All artists are required to represent their work, and only their work, in person, on both days. The Beverly Hills Art Show is widely known for its friendly meet-and-greet atmosphere, therefore there is no exception to this rule.
