STAFF REPORT

Meeting Date: August 18, 2022
To: City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee
From: Laura Biery, Marketing & Economic Sustainability Manager
Subject: A RESOLUTION OF THE CITY COUNCIL LIAISON / RODEO DRIVE/SPECIAL EVENTS/HOLIDAY PROGRAM COMMITTEE OF THE CITY OF BEVERLY HILLS CONTINUING TO AUTHORIZE PUBLIC MEETINGS TO BE HELD VIA TELECONFERENCING PURSUANT TO GOVERNMENT CODE SECTION 54953(e) AND MAKING FINDINGS AND DETERMINATIONS REGARDING THE SAME

Attachments: 1. Proposed resolution

RECOMMENDATION

Staff and the City Attorney’s office recommend that the City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee adopt a resolution making the following findings so that meetings of the City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee will be subject to the special Brown Act requirements for teleconference meetings: (1) the City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee has reconsidered the circumstances of the COVID-19 state of emergency; (2) the state of emergency continues to directly impact the ability of the members to meet safely in person; and (3) state or local officials continue to impose or recommend measures to promote social distancing. Though the City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee adopted such a resolution in the past, these findings must be continuously made to continue to hold meetings under these special teleconferencing requirements.

FISCAL IMPACT

The proposed resolution allowing the City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee greater flexibility to conduct teleconference meetings
is unlikely to cause a greater fiscal impact to the City as the City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee has been conducting such teleconference meetings for over a year.

INTRODUCTION

AB 361 allows the City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee to continue virtual meetings during the COVID-19 declared emergency subject to certain conditions. These special requirements give the City greater flexibility to conduct teleconference meetings when there is a declared state of emergency and either social distancing is mandated or recommended, or an in-person meeting would present imminent risks to the health and safety of attendees.

BACKGROUND

On September 16, 2021, the Governor signed AB 361, amending the Brown Act to establish special requirements for teleconference meetings if a legislative body of a local public agency holds a meeting during a proclaimed state of emergency and either state or local officials have imposed or recommended measures to promote social distancing, or the body determines, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health and safety of attendees.

AB 361 authorizes local agencies to continue meeting remotely without following the Brown Act’s standard teleconferencing provisions if the meeting is held during a state of emergency proclaimed by the Governor and either of the following applies: (1) state or local officials have imposed or recommended measures to promote social distancing; or (2) the agency has already determined or is determining whether, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

DISCUSSION

To continue to hold meetings under these special teleconferencing requirements, the City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee needs to make two findings pursuant to Government Code Section 54953(e)(3). First, there must be a declared state of emergency and the City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee must find that it has reconsidered the circumstances of such emergency. Second, the City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee must find that such emergency continues to directly impact the ability of the City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee’s members to meet in person. Alternatively, for the second finding, the City Council Liaison / Rodeo Drive/Special Events/Holiday Program Committee must find that state or local officials continue to impose or recommend social distancing measures. These findings must be continuously made to continue to hold meetings under these special teleconferencing requirements.

The declared emergency is still in effect. Furthermore, the State of California and the County of Los Angeles have recommended measures to promote social distancing. The Centers for Disease Control and Prevention continue to advise that COVID-19 spreads more easily indoors than outdoors and that people are more likely to be exposed to
COVID-19 when they are closer than 6 feet apart from others for longer periods of time. Additionally, the Los Angeles County Department of Public Health still encourages people at risk for severe illness of death from COVID-19 to take protective measures such as social distancing and, for those not yet fully vaccinated, to physically distance from others whose vaccination status is unknown. The County Health Department also continues to recommend that employers take steps to support physical distancing and the City Council continues to recommend steps to reduce crowding indoors and to support physical distancing at City meetings to protect the health and safety of meeting attendees.

Please note that AB 361 applies to all legislative bodies. Therefore, Commissions and standing committees will need to also comply with the requirements of AB 361.

Item 3
Introduction
This report provides the City Council Rodeo Drive/Special Events/Holiday Program Committee Liaisons of Mayor Bosse and Councilmember Friedman (Liaisons) with an update regarding the City’s proposed 2022 holiday décor and lighting items that were discussed at the previous Liaison meeting on August 1, 2022.

Discussion
At the August 1, 2022 Liaison meeting, direction was provided regarding a number of items for the 2022 Citywide Holiday Décor program. Staff has a brief update to present to the Liaisons today.

First, on August 1, the Liaisons recommended the Scribbles Alternative design for Beverly Cañon Gardens. Staff has an updated rendering to show the selection of the Liaisons that includes the final design. Staff is working on procuring the materials and the cost estimate is still at $475,000, which is within the range provided at the previous meeting.

Next, in addition to the Holiday season dates that were provided at the last meeting, Staff has included the proposed Holidays at Greystone Mansion and Gardens Event weekend on December 2 and 3, 2022 which will be discussed in more detail in a separate report. Also, the annual Menorah Lighting Ceremony is planned for Monday, December 19, 2022. The full list of dates is below.

Proposed 2022 Holiday Season Décor Dates:
- All lights and décor installed by no later than – Saturday, November 12, 2022 (for review and punch list prior to Lighting Event)*
- Rodeo Drive Holiday Lighting Celebration – Thursday, November 17, 2022
- Thanksgiving Day – Thursday, November 24, 2022
- Holidays at Greystone Mansion and Gardens – Saturday, December 2, 2022 and Sunday, December 3, 2022
- Hanukkah – Sunday, December 18, 2022 through Monday, December 26, 2022
- Menorah Lighting Ceremony – December 19, 2022 at Beverly Gardens Park
- Christmas Day – Sunday, December 25, 2022
- Removal of lights and décor to begin - Monday, January 2, 2023

*Staff is working with the Metro team to determine install date for the Santa and Reindeer Display over Wilshire Boulevard

Finally, at the August 1, 2022 meeting, staff shared a proposal for projection mapping on City Hall for the holidays and the Liaisons provided direction to move forward with the concept on the corner two sides of the upper tower of City Hall (N. Santa Monica side and Crescent side). This is the most visible area so visitors are easily drawn in and can view the show from Crescent Drive or N. Santa Monica or on the lawn near the Ai WeiWei designed sculpture, “Iron Root”. The west facing side of City Hall is viewable from far to the west, including from one of our other holiday décor highlights, the Lily Pond Glowing Reeds at Beverly Gardens Park.

The projection mapping show is estimated to last 5 to 9 minutes with 15 to 20 minutes in-between shows. The setup includes a primary viewing area with speakers to have coordinated audio and is scheduled to run nightly from 6 pm, with the last show ending by 10 pm. The show will occur nightly during the holiday season starting on Thursday, November 17th and running through January 1st for a total of 46 days.

Based on the direction of the Liaisons, Staff has moved forward with this location and duration and conducted a site visit with potential firms. Staff received proposals from 5 firms, 4 of which provided detailed estimates that are within the projected budget of $750,000. During the Liaison meeting Staff will show a video and content from the recommended firm.

City staff was approached about a potential sponsorship opportunity by one of the manufacturers of the projection equipment. Staff did explore the sponsorship option and have determined that it did not provide enough value for the project.

The content proposals provided range from an artistic story with vibrant paint colors to a winter wonderland with icicles and snowflakes to transforming the tower into a giant gift box that continues to give throughout the show. One recommendation is to include iconic Beverly Hills Landmarks into the animation. During the interim, there can be an interactive element allowing the public to ‘put’ digital content onto the building, like ornaments or snowflakes or even pre-installed messaging, such as social media hashtags, or happy holidays onto the building.

Following City Council approval of the Citywide Holiday Décor program at the August 23, 2022 City Council Meeting, Staff will meet with the selected firm that meets our projection mapping needs and begin content creation.

Fiscal Impact

There is no request for additional funding based on the Liaison recommendations outlined above. These funds have already been allocated in the FY 2022/2023 CIP (No. 00635) for Citywide Decorative Lighting and Holiday Decorations ($3,540,000 budget). No additional funds are requested at this time.

Graceful ribbons of light spring forth from the animation moving along the cursive forms reminiscent of golden embers rising from a fireplace.

Nearby, a familiar form extends the light ribbon embraced by the love of the community and the season for a memorable photo op.

Color change over time to create different moods, from reds, greens and golds of Christmas, and the blues and whites celebrating Hanukkah.
Item 4

DISCUSSION
Each year the City sponsors a signature holiday program designed to celebrate the season and attract visitors from around the region to shop, dine and stay in Beverly Hills. The Citywide Holiday Décor elements were reviewed by the Liaisons on August 1, 2022 with an update provided during today’s meeting. This report provides the proposal from the Rodeo Drive Committee (RDC) for the Rodeo Drive holiday décor and the Rodeo Drive Holiday Lighting celebration to occur on Rodeo Drive on Thursday, November 17, 2022 (Attachment 1). The Community Services Department will also provide an update in a separate report regarding holiday programming and décor during today’s Liaison Meeting.

Rodeo Drive Decor Proposal

- Rodeo Drive Holiday Decor – November 17, 2022 – January 1, 2023
  - Palm Tree Lights
  - Street Pole Banners
  - Beverly Hills Express Median décor
  - Enhanced Audio System and Playlist on Weekends

Rodeo Drive Holiday Lighting Proposal
The RDC’s proposed programming elements for the 2022 Holiday Lighting Celebration include:

</tr>
</tbody>
</table>

**Note, access the Rodeo Collection Garage will be discussed with impacted tenants. Access to the City's Brighton Garage and Two Rodeo Garage will be maintained through the alleyways.**

In addition to the Rodeo Drive Holiday Lighting celebration, the RDC is proposing to have an enhanced audio system and playlist for the 7 weekends between November 17th and January 1st. This enhanced audio system will include speakers in the center median as well as a customized playlist curated by a DJ. Music will be specially curated to blend the transitions between songs and include a mix of holiday classics, Hanukkah, and Christmas tunes. The holiday playlist will be played on weekends during the holiday season on Rodeo Drive.

Earlier this year, City Council requested staff to explore the cost estimate to purchase the median speaker system for Rodeo Drive rather than install and remove the system with each large scale event such as Concours D'Elegance and Holiday Lighting. Staff will present those cost estimates and comparisons as part of the Liaison meeting presentation.

Staff has identified funding in the FY 22/23 budget for the Rodeo Drive holiday décor and Rodeo Drive Holiday Lighting celebration for a total budget of $1,353,372.

The proposal from the RDC also includes a request for the City to waive or absorb several fees. Those include costs for labor for public safety and public works personnel, as well as permits, traffic control equipment, and k-rails. The total estimated cost for flat-rate fee waivers as well as paying for the applicable traffic control equipment is $97,962. This cost is built into the listed overall event budget to show the true cost of the event itself.

Lyn Winter, Inc. (RDC public relations agency) and BOLD LA (RDC Social Media Agency), as well as the Beverly Hills Conference and Visitors Bureau, the Beverly Hills Chamber of Commerce, and the City of Beverly Hills, will be planning and executing a coordinated marketing plan that includes social, digital, and print media. The RDC has also requested City Council support to absorb the cost of local print advertisements in the current approved Policy and Management budget.
**FISCAL IMPACT**

The 2022 Rodeo Drive Holiday Décor and Rodeo Drive Holiday Lighting celebration are funded by the Tourism and Marketing budget (00101311). Funding is available to cover the funding request by the RDC of $1,353,372. For reference, Staff will provide a cost comparison to previous RDC Holiday Décor and Lighting Celebration budgets during the Liaison meeting.

The RDC is requesting a waiver of all City permits and fees, and any associated costs for hourly personnel, equipment, signage, etc., as well as absorption of costs of print advertisements in local newspapers. The estimate included in the report of $97,962 reflects the current FY 22/23 fee schedule as well as the estimated hard costs for traffic control equipment and vendors. These estimates could change based on the final layout and schedule.

Marketing, digital media, and ad buys are also included in the existing FY 22/23 Policy and Management budget. No additional appropriation is required.

It should be noted that funding for the Rodeo Drive Holiday Décor as well as the Rodeo Drive Holiday Lighting Celebration comes from Transient Occupancy Tax (TOT). The City has maintained a policy of funding its tourism and marketing programs (such as the Rodeo Drive Holiday Décor and Holiday Lighting Celebration) from a specific allocation of TOT. The City collects a total of fourteen percent TOT based on gross room sales from the City’s hotels. Two of the fourteen percent, or one-seventh of the total TOT revenue, has been the basis of calculating the funding for the Tourism and Marketing budget in Beverly Hills for approximately 25 years.

The Finance Department currently estimates a TOT revenue forecast of $44,000,000 for FY 22/23. This will result in a one-seventh amount of $6,285,714. This funding is used for funding programs such as the Concours D’Elegance, the Conference and Visitors Bureau, the Rodeo Drive Committee, a portion of the Beverly Hills Chamber of Commerce Work Plan, intellectual property legal services, landscaping on Rodeo Drive, the Rodeo Drive Holiday Décor and the Rodeo Drive Holiday Lighting celebration.

**RECOMMENDATION**

Staff requests the City Council Liaisons review and provide feedback regarding the 2022 Rodeo Drive Holiday Décor and Rodeo Drive Holiday Lighting celebration event and street closure requests as described further in Attachment 1 to this report.

If recommended by the Liaisons, Staff will bring forward an item at the August 23, 2022 City Council Meeting for the full City Council to review and approve.

Beverly Hills Train Stations

Historically, there were two railway stations in Beverly Hills with three train lines. With the first constructed in 1896, they came to be served by the Pacific Electric and Southern Pacific railroads until the 1960s.

It’s the Santa Monica Boulevard and North Canon Drive station that became the heart of Beverly Hills due to the tiny train station providing the only gateway to the City. Freight trains and the Pacific Electric Red Car passenger line shared the right-of-way which ran along Santa Monica Boulevard. The trains are long gone, but the median in which the tracks once laid still divides Santa Monica Boulevard as a reminder of the beloved trains of yesteryear. In time, the area evolved into the main center of government and culture with the building of the Beverly Hills City Hall and US Post Office, the Civic Center, and more currently the Wallis Annenberg Center for the Performing Arts.

INTRODUCTION
This report provides the Beverly Hills City Council Liaison/Rodeo Drive /Special Events /Holiday Program Committee (Liaisons) of Mayor Bosse and Councilmember Friedman with an overview of Community Services holiday programming, décor, and events, including a special event, *Holidays at Greystone Mansion and Gardens* on December 3-4, 2022. There is no request for additional funding, based on the staff recommendation to utilize allocated funds in FY 2022/2023 from CIP (No. 00635) for Citywide Decorative Lighting and Holiday Decorations, and FY 2022/2023 Community Services approved budget.

DISCUSSION
Each year Community Services Department participates in the Citywide Holiday program with festive elements and themes added to existing programming, as well as signature special events featuring Greystone Mansion and Gardens (Greystone). This report provides an overview of the previous Community Services holiday offerings, what is new for 2022, and requests Liaisons direction for the proposal.

Previous Holidays
Community Services has coordinated events and programming for many years, and in 2019 the grand “Joy to the Holidays” event at Greystone as well as additional community events and programming, joined the Citywide BOLD Holiday events in promotion and funding. A total budget of $90,000 was awarded from the General Fund to produce the schedule of holiday occasions.

In 2020, due to pandemic, Community Services adapted the festive programming to include Outdoor Drive-In Movies at Greystone showcasing a series of holiday movies that the community could enjoy from the comfort of their own cars in collaboration with Next Beverly Hills. This Greystone event was in addition to virtual activities without décor, utilizing existing budgets for any nominal giveaways or materials needed for at-home programming.
With 2021, the department returned to in-person events and programming, with an outdoor-only “Greystone Winter Garden” holiday event. The 2-day weekend daytime event utilized an existing budget of $19,000 to offer music, crafts, photo moments, and décor for the garden areas of Greystone only. A sold-out crowd saw almost 600 guests visit and enjoy the this complimentary experience at the historic site.

Traditionally, events at Greystone, both holiday and open-house occasions, have utilized the City’s reservation system, providing Beverly Hills residents with priority registration in advance of the general public. All spaces, including resident priority registration, have sold out every holiday event since 2018 (events are complimentary, as such, “sold out” refers to hitting capacity on the number of available reservations). Walk-ups have traditionally also been accommodated, whenever space and safety allows.

Holiday Décor, Programming and Events 2022
For 2022, Community Services is focusing on the return of a full slate of programming and events, in-person, Citywide from mid-November through the New Year. These include multicultural winter holidays details, and traditional fun for all ages:

- Both Roxbury and La Cienega Community Centers (Centers) will be decorated in various themes, including Thanksgiving, Winter Holidays, and Hanukkah, with trees and a menorah;
- New for this year, refurbished décor, used in past years in other areas of the City, will provide additional festive elements to the parks and Centers;
- Beverly Hills Active Adult Club (BHAAC) Thanksgiving Luncheon at Roxbury on either November 11 or 18 will provide a delicious meal and music for seniors;
- Tentatively on December 9, BHAAC Holiday Dance will feature musical entertainment, dancing, and refreshments for seniors at Roxbury Community Center;
- Seasonal chartered bus excursion trips for seniors are scheduled to return on to-be-determined dates. Past visits have included viewing Citywide holiday décor and shows;
- The City’s preschool program will create holiday cards in a multitude of themes, including Hanukkah, to be given to seniors;
- From December 23-January 3, Youth Winter Break Camp(s) will be offered at both Roxbury and La Cienega Centers for elementary through teens;
- Holiday book displays in the Children’s and Adult Library, will feature various diverse traditions, including holiday cooking and Hanukkah;
- Returning to the Farmer’s Market this year is a special Holiday Craft Market scheduled for December 11 with 10+ holiday vendors selling items perfect to gift family and friends; and
- A new holiday cookie contest at the Farmer’s Market is also planned to judge the best and most festive homemade cookies. The contest event will also feature special live holiday music, and arts activities for youth, all incorporating Hanukkah as well.

These beloved traditions, and new elements, will be accommodated in the Community Service department’s approved FY 2022/2023 budget.
Holidays at Greystone Mansion and Gardens
The holidays have been special at Greystone in past years, with a grand event taking place over a weekend. For 2022, staff propose to return to an indoor and outdoor event, featuring spectacular décor that incorporates fun experiences, selfie moments, multicultural décor and stories throughout, live music, crafts, and a fantastic show in the Greystone Theater (Attachment 1). With a bolder and reimagined weekend of fun, the recommendation of staff is to make this an annual tradition for Beverly Hills that helps to bring a sense of community to the holiday festivity of the entire city.

Many elements of the outdoor and mansion décor will remain all holiday season long to decorate the architecture in a festive way. Some of the items that serve as interactive photo backdrops will be removed due to outside rentals of Greystone utilizing the space, but the public would be able to still enjoy the decorative elements that remain for the month, including decorations on the gate, gardens, columns, bannisters, etc., during the current visiting hours of the venue 10am – 5pm daily.

This year's Holidays at Greystone Mansion and Gardens is proposed to take place on Saturday, December 3 and Sunday, December 4, during the daytime, and be open to the public through free reservations. A “Jolly Trolley” with stops at City Hall and Rodeo Drive will ensure that residents and guests can travel with ease to enjoy the complimentary festivities from the Civic Center and Business Triangle.

Beverly Hills residents will have the opportunity for “priority” reservations, and as in past years, staff expects nearly all slots to be reserved by local Beverly Hills residents. If all spaces sell out, as in previous years, staff estimates that over 2,400 guests will be welcomed over the weekend.

With the previous event only taking place outdoors, this indoor mansion and outdoor gardens and courtyard event will showcase a return to the holiday splendor of previous years over the weekend:

Gardens
- A vendor with experience in decorating the historic property will be retained to bring back updated family favorites from previous years, as well as add new and diverse décor indoors and out;
- Outdoor grounds would feature a self-guided walking tour of décor for outdoor wellness;
- The upper and lower gardens would also feature photo-op moments, utilizing the décor for a permit family portrait or selfie with friends; and
- New to the gardens is a feature of pomegranates and fruit décor that is traditionally featured in Persian winter solstice holiday, Yaldā Night.

Courtyards
- Each of the mansion’s courtyards will have experiential décor that showcases the historic property’s beautiful architecture, while providing joyful experiences for all ages;
- Proposed décor for the courtyard includes a peek at the garage at the North Pole, with Santa’s sleigh setup for a photo opportunity;
As it was the most popular installation last year, the courtyard tree lot maze is proposed to be larger than ever; and
Beautiful poinsettias and flameless luminaria paper lanterns, traditional to Feliz Navidad holiday, will dress the courtyard fountain.

**Mansion**
- New for this year, the entire first floor of the mansion will be decorated, as well as the Greystone Theater;
- Notable indoor décor highlights include large-scale trees in the “card room”, each decked with mosaic of ornaments and lights from various holiday traditions, including Kwanzaa, Christmas, Yaldā and Hanukkah, with lighting adding a panorama of color; and
- The mansion’s dining room will become the “wish room”, a nighttime wonderland flocked with snow-covered trees. Children and adults can make wish ornaments in a craft area and add them to the wish trees in the room where windows will be darkened to create a starry night and magical views through the solarium window.

Each of the decorated rooms and areas will serve not only as a beautiful showpiece of the Greystone Mansion and Gardens, but a fun experience for guests. A treasure-hunt of décor elements is proposed for adventure-seekers to explore the whole grounds looking for holiday fairies, colorful characters, and secret doors, with all of the areas and props serving as perfect holiday photo backdrops.

All of the décor mentioned in this report is proposed to be funded with $50,000 of the $3.54 million Council-approved FY 2022/2023 CIP funding for holiday decorations. The following experiences that make up the weekend special event will be produced from the approved Community Services budget, for approximately $20,000:

**Special Event Elements**
- Holiday family dress-up dance party with live band (klezmer band Mostly Kosher is proposed), or live DJ, with hats, boas and holiday accessories;
- Roaming carolers in traditional garb, with singalong portions of performances;
- Santa, Mrs. Claus and other live characters for photos and interactions with guests;
- Equipment and supplies for the Spark of Love Toy Drive in partnership with Beverly Hills Fire Department;
- Wishing tree ornaments and other kid-friendly crafts offered including cooking decorating, creative wrapping paper, and homemade cards. Costs for these giveaways to guests would be defrayed by utilizing former décor pieces, such as garland for wreath-making, wrapping paper origami, and ribbon ornaments;
- Global and traditional holiday music play throughout the grounds and any area without live entertainment for a complete immersive way for guests to experience how Beverly Hills celebrates the holidays;
- Fireside stories with live poetry and multicultural tales, including Hanukkah and Kwanzaa, next to the fireplace inside the mansion; and
For the first time in Beverly Hills, the famous local Bob Baker Marionettes would have an imaginative 25 minute shows every hour in the theater, perfect for children and families. This holiday show would feature Hanukkah puppets and elements custom to Beverly Hills, and could welcome up to 700 guests over the weekend!

The promotion for *Holidays at Greystone*, as well as all regular holiday programming and events open to the public, would be a collaborative part of Citywide Holiday marketing efforts, including with the City Partners (Rodeo Drive Committee, Beverly Hills Chamber of Commerce, and the Beverly Hills Conference and Visitors Bureau).

**FISCAL IMPACT**

Based on the proposals outlined in this report, there are no requests for additional funding at this time. Unlike the appropriation of $90,000 for décor, events and programming in 2019, and the $19,000 budget in 2021, the $50,000 funding for décor in 2022 is available in the CIP (No. 00635) for Citywide Decorative Lighting and Holiday Decorations, and the remaining programming funds of up to $20,000 is already accounted for in the Community Services budget, for FY 2022/2023.

**RECOMMENDATION**

Staff recommends City Council Liaisons provide feedback on the Community Services holiday programming and events. City Staff will bring the recommendation forward as part of a consolidated Citywide Holidays report to the full City Council at the August 23, 2022 City Council Meeting.
