MEET THE JUNE 2022 CANDIDATES

Please note: Candidates are listed in the order they will appear on the ballot for the City of Beverly Hills. Beverly Hills registered voters can vote for three (3) City Council Candidates and (1) City Treasurer.

Candidate For City Council

LESTER FRIEDMAN

(Beverly Hills
Councilmember/Attorney)

Serving on the Beverly Hills City Council has been both gratifying and challenging. As a community we have shared experiences that will shape our future.

The pandemic dramatically refocused my year as Mayor. We had to make critical public safety and financial decisions against a backdrop of changing information and highly charged emotions.

I am proud of my record:

- Oversaw the hiring of more sworn police officers
- Led the effort to hire armed, private security patrols
- Made sure the financial crisis did not impact resident services
- Led the plan that helped renters stay in their homes during the pandemic
- Oversaw the successful “outdoor dining” plan that protected many restaurants

I’m running for re-election to expand these successes to make Beverly Hills safer, healthier and more prosperous; to strengthen our city services and provide our residents with the security they need. Our future will require leadership with the experience and hard-earned knowledge to navigate the “new normal.”

Beverly Hills is the place we call home. It is exceptional and resilient. I have that experience and the strategies to make sure Beverly Hills remains one of the safest small cities in America and ready to meet every new challenge.

WWW.LESTERFRIEDMANFORCOUNCIL.COM

Candidate For City Council

ROBIN ROWE

(Manager,
Financial Services)

If elected to City Council, I’ll make the streets of Beverly Hills safer and more secure.

I helped make the City of Beverly Hills protect Nessah synagogue. After Nessah was vandalized in 2019, I briefed our chief of police how the City Council had neglected to protect our city’s many synagogues. Beverly Hills had installed thousands of security cameras, yet none pointed at Nessah.

The day after my meeting with the chief of police, city workers were outside Nessah installing security cameras. Except for a City Council blunder, an expensive Beverly Hills police investigation could have been avoided, with the perpetrator caught in the act.

The Incumbents, career politicians bankrolled by luxury real estate developers and hedge fund investors, say to reelect them because they’ve provided not only the most expensive police force, but also spent millions of taxpayer dollars on a private security force to do the same job. Will we elect a more capable manager with national security experience?

My experience... I’m a senior manager at a \$20 billion financial services company. I managed development of a Department of Defense AI crisis detection system.

I’ve lived in Beverly Hills for 20 years with my wife Gabrielle.

Candidate For City Council

ANDY LICHT

(Businessperson/Beverly Hills Commissioner)

Beverly Hills is a great place to live and work. I'm running for City Council to make it even better. Residents deserve safe neighborhoods. I will expand our police department to have more patrols throughout the City and expand foot patrols in our retail and office districts.

Businesses also want a safe environment for customers and employees. They deserve a City that does not require needless red tape when they want to expand or make a change.

As a City Commissioner I oversaw parking and traffic improvements and I supported quality development that added to our City. I also opposed developments that didn't meet our City's high standards.

As a businessperson, I successfully managed multimillion dollar projects that were completed on time and on budget. I will bring my management skills to City Hall to make our government operate more efficiently.

I lived most of my life in Beverly Hills. I went to school here and raised my children here. They attended the same schools I did. I want to leave my children, and your children, the best City in America.

I am running for City Council because I will make a difference and I ask for your support and your vote.

Candidate For City Council

KEVIN KUGLEY

(Businessman)

Revitalizing Public Safety

Supporting Small Business

Listening to Community Needs

"As an 11-year resident of Beverly Hills, I've seen the city change from a beautiful, safe, and clean community... to a place where people cannot sit outside at a cafe without fear of being robbed. I've spent the past several months walking door to door, talking with concerned neighbors and businesses. Most importantly, I listened. I clearly hear and share all your concerns. I sincerely appreciate your encouragement and trust in electing me to represent your views on the Beverly Hills City Council."

Kevin comes from a family of law enforcement and knows how government can provide the tools to help fight crime. As a small business owner of the financial services firm kevins7.com, he understands the regulatory obstacles many businesses face in Beverly Hills. Kevin has fresh and invigorating ideas on how to improve the quality of life of Beverly Hills residents, businesses, and visitors.

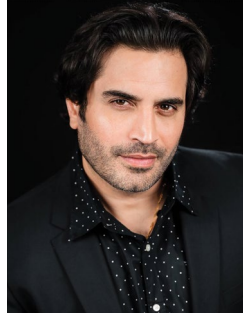

Kevin earned his Executive MBA from the University of Southern California. He is endorsed by Malibu Clothes, Al's Newsstand, the Beverly Hills Playhouse, as well as many other businesses, organizations and concerned neighbors.

Vote for Kevin Kugley, Beverly Hills City Council.

Candidate For City Council

AKSHAT "AB" BHATIA

(Real Estate Professional)

I'm Akshat "AB" Bhatia, and I'm a real estate professional /social worker, father of two beautiful children, and husband to my beautiful wife, who has fallen in love with our community in Beverly Hills. Although I'm viewed as an "Indian American," I see myself as a true American living the American Dream, and I want to serve the city I love most.

As your Councilmember, my priorities will be:

Enhance Neighborhood Safety

Criminals should not be allowed to get away with crime in our city. As a father of two young kids, the current situation troubles me, and that's why I will strongly support the recall of George Gascon and make sure police have the funding they need to do their job right.

End the Homelessness Crisis

We need to find a long-term solution to address the homeless crisis. I will work with city, county, and state agencies to make sure those that need help get it, and to prevent bad apples in the homeless population from impacting the safety of our residents.

Strengthen Education

We need to strengthen ties between the City Council and School Board to make sure our children have the best facilities and resources they need to succeed.

Candidate For City Council

SHIVA GORDON BAGHERI

(Dance Fitness Instructor)

I, Shiva Bagheri, am a mother, dance and fitness instructor and trainer, and resident of Beverly Hills since 2014.

As a Candidate for Beverly Hills City Council, should you give me the privilege of being your City Councilmember, I pledge to work for you, the people, and to never deceive the public.

I will be a civil servant and not a self-servant. My goal is to 'Find Solutions' and enable the public to be a part of the decision making process.

As your City Councilmember, I will respect your right to express your grievances in open forums, your right to be face to face, and your right to public debate in order to be heard. I believe the people must have the power, not the elitist politicians who serve their own personal interest groups which takes away public "Choice."

Give me the opportunity to work for you and together we can find solutions to many issues facing Beverly Hills.

Candidate For City Council

DARIAN BOJEUX

(Attorney)

Keep building heights low with Darian Bojeaux! (It rhymes.)

I am a residents' candidate—not a developers' candidate.

Preserving the beauty and quality of life in our lovely city is the reason I am running for Council—that and the fact that our present City Council majority is taking us in the wrong direction on that front.

For just one example, unknown to many, the City Council majority passed major rezoning—the mixed-use ordinance—during the height of the pandemic, resulting in increased building height limits along our main streets, as well as reduced parking requirements, to the detriment of residents.

The city should be focused on adaptive re-use of our existing buildings and should make it easier for residents to build guesthouses over garages.

The city planned to create free Internet for residents, but abandoned the project. We need to reactivate that project.

Unlike many other candidates, I am direct and straightforward, perhaps to a fault, but I will tell you exactly what I really think and where I stand on projects such as Cheval Blanc, Lots 12 & 13, and anything else.

Please see all of my views on these and other important matters at DarianBojeux.net.

Candidate For City Council

SHARONA NAZARIAN

(Beverly Hills Commissioner/
Businesswoman)

I will serve as your voice on the City Council! I am proactive, accessible and will bring a new perspective. I am innovative, creative, trusted and will think outside the box to build consensus on behalf of the community.

Currently, I'm a Beverly Hills Public Works Commissioner and LA County Commissioner for Alcohol and Other Drugs. Previously, I served as Chairperson/Commissioner of the Beverly Hills Human Relations Commission. My list of community involvement runs deep.

EDUCATION- USC, Degree in Psychology and Sociology. Doctorate, Clinical Psychology with an emphasis in Multicultural Psychology.

Beverly Hills has been my home for 30 years. I'm a wife, mother of 3 sons, and have dedicated my life to community and civic service.

My commitment to Beverly Hills:

Increase Public Safety and Security - Expand crime prevention through technology and improving the hiring process.

Residents First Approach to ALL Decisions -
ProResidents + ProLocal Business = ProBeverly Hills

Improve Quality of Life, Plan for the Future - Fiscal accountability, sustainability, enhance senior and city services. Proactive in working with our schools and families to boost educational experience.

I am a proven and effective leader. Please join me in bringing safety and unity to our community.

PLEASE VOTE SHARONA NAZARIAN,

I will get it done!

Candidate For City Council

VERA MARKOWITZ

(Preparedness Community
Coordinator)

Longtime resident, community activist, nonprofit board member Vera Markowitz is the perfect choice for Beverly Hills City Council.

As the co-founder and driving force behind JustInCase Beverly Hills, Vera Markowitz has proven to be a fierce advocate on behalf of Beverly Hills residents for public safety and community preparedness. This first of its kind program has become the standard for cities across the nation.

Vera Markowitz's top priorities are:

- Stopping the alarming increase in violent crime
- Improving education in our public schools
- Ensuring Beverly Hills pursues responsible development maintaining the character and integrity of Beverly Hills
- Guarantee that our water is safe, clean and plentiful
- Restoring integrity and confidence in the Beverly Hills Police Department to its rightful place as the premier police department in the nation

Former Police Captains Mark Rosen and Lincoln Hoshino agree, 'Vera Markowitz is of the highest integrity, is universally respected by police officers and firefighters and a leader in the fight to make Beverly Hills a safer and more prepared city. Vera understands the needs of our community and is the perfect choice to be our next City Council member.'

Candidate For City Council

JOHN A. MIRISCH

(Beverly Hills City
Councilmember)

It's simple: I put residents first. Always have.
Always will.

Local government is all about you. During my
entire time on the Council, I have maintained an
independent voice even when it isn't popular around
City Hall.

My independent-minded votes haven't always
endeared me to the Insiders Club -- the special
interests, paid lobbyists and developers looking to
cash in on the Beverly Hills brand. But I have been
unflinching about standing up and fighting for our
residents - often as the lone vote.

As a Councilmember I have prioritized:

- Public safety
- Our residential quality of life
- Strong public schools
- Sustainability and fiscal responsibility
- Arts and Culture & historic preservation
- Local government transparency

You may not agree with me on all the issues, but you
will always know where I stand and why. No hidden
agendas, no ulterior motives, and no nonsense.

They say "You can't fight City Hall." Well, you
shouldn't have to fight City Hall.

I'm running for re-election to the Beverly Hills City
Council because our residents deserve informed,
proven leadership in the face of a multitude of
complex challenges facing our City. I would be
honored to continue to be your voice at City Hall.

www.reelectmirisch.com

Candidate For City Treasurer

**GABRIELLE
PANTERA-ROWE**

(Asset Coordinator)

If elected City Treasurer, I'll use my general oversight
of the City's financial affairs to produce a more
transparent budget and to advise the City Manager,
the City Council and the Mayor how to be more
responsible in handling the city's revenue, spending
and municipal funds.

I'll seek financial choices that better benefit
Beverly Hills. I will review the city's investment
portfolio to purge unsound investments. I'll support
Environmental Social Governance (ESG), investing
that's both environmentally and fiscally sound.

As a volunteer, I've helped ASPCA and other animal
rescue non-profits by fostering kittens in need of
care and a temporary home.

My experience... I've launched new asset
management systems at UCLA, Disney and Zodiak.
I have Payroll Manager experience at Zodiak, an
international television production company that
distributes content to Fox, MTV, SyFy and other
networks. I have Accounts Receivable experience at
Hollywood music talent agency MPI. In other words,
I create systems to better track assets, get people
paid and balance the books.

I've lived in Beverly Hills for 20 years with my
husband Robin Rowe. I'm a citizen who wants
to improve our community by doing more, not
spending more.

<https://gabriellepantera.com>

Candidate For City Treasurer

HOWARD FISHER

(Treasurer, Beverly Hills)

The Treasurer is responsible for safeguarding the City's investments. As the City's Treasurer I will continue in that tradition of integrity, transparency, and financial stability. And I will not bow to special interests, especially developers.

As your Treasurer I helped solve the City's \$370 million pension deficit, oversee the City's \$500 million investment portfolio, adopted Anti-Boycott and ESG investment practices, and revamped the Treasurer's monthly and quarterly reports to make them more readable and useful. In the future, I will work to enhance and refine the budgeting process by instituting a periodic zero-base budget process with a top to bottom review of all aspects of our Departments and examine what is needed and what is not.

I've been the past Chair of the Planning and Public Works Commissions, president of the Beverly Hills Bar, Cub-Scout Leader - BH Troop 100, Board of Temple Emanuel, BHHS Class of 1969 (as our son), my wife Francine of 44 years and I both work in Beverly Hills.

Simply put: It ain't broke, don't fix it. There is no need for a change. The City Treasurer's office is too important

- it should not be used as a "stepping-stone."

Candidate For City Treasurer

JAKE MANASTER

(Businessperson/Attorney)

As a former School Board President, former City Commissioner, and veteran CEO, serving as a STEWARD of our city's financial assets would be an extension of my life's work. Protecting our financial future: prudently, ethically, and transparently is paramount.

Neighbors, the Pandemic has brought a dramatic change in our city and in our lives. Critical financial policy decisions will need to be made to strengthen our village, positioning us for future success and recovery.

The opportunities ahead to bolster and secure our home town are limitless and call for a vibrant effort and action. Capitalizing on my multifaceted business, management and finance experience, I propose to accomplish the following as Treasurer:

- With Council, reinstate, assemble and facilitate a "BRING BACK BEVERLY HILLS" economic stimulus advisory panel to insure a healthy and robust post-pandemic recovery
- EDUCATE and ELEVATE the constructive, supportive, and strategic role of Treasurer to ENHANCE Council initiatives
- USHER in a future focused, robust, expeditious, simulative approach to city INITIATIVES, REINVESTMENTS, RESIDENT NEEDS, and BUSINESS SUPPORT

I would be honored to earn your vote and seek to continue that path by leading again in safeguarding our community.

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE TL

Measure TL was placed on the ballot by the Beverly Hills City Council. This Measure, if approved by the voters, places a three term lifetime limit on the office of city council member and a three term lifetime limit on the office of city treasurer. If a council member or the city treasurer is elected or appointed to fill a partial term of less than two years, then that term will not count toward the three term limit.

Measure TL states that it is the City Council's and voters' intent to apply term limits in a manner that counts the terms that council members and treasurers have already served. For example, an official who has served two terms before Measure TL is adopted, would only be eligible to serve one additional term after the Measure is adopted. However, all persons who have served three or more terms of office and are elected to office at this election, or who are currently in office at the time of this election, shall be permitted to complete their current terms.

Nevertheless, whether term limits can be applied to count past terms commencing before term limits were in effect has not been addressed by a court. Therefore, a court could rule that Measure TL will only count the future terms of city council members and treasurers, served after the Measure takes effect.

Thus, because of the uncertainty of a court ruling, Measure TL also states that the voters would have enacted these term limits even if a court later rules that the term limits may not count past terms of council members or treasurers.

A "yes" vote on Measure TL favors the enactment of term limits. A "no" vote on Measure TL opposes the enactment of term limits.

LAURENCE S. WIENER

City Attorney, City of Beverly Hills

ANALYSIS: THE IMPARTIAL ANALYSIS IS AN IMPARTIAL SUMMARY OF THE RESULTS OF THE PROPOSED MEASURE OR PROPOSITION.

ARGUMENT IN FAVOR OF MEASURE TL

Yes on Measure TL establishes term limits for Beverly Hills elected officials, limiting our Councilmembers and Treasurers to no more than three terms during their lifetime for any single elected office. Yes on Measure TL promotes better municipal government without discouraging new people from seeking to serve.

Measure TL means no elected official will serve more than twelve years or three terms at the same position. This should be long enough to accomplish what he or she sets out to achieve while allowing others to participate and bring fresh, new ideas to our city.

Unlike California's larger cities, Beverly Hills is a city wherein elected officials are supposed to be residents, community members, and part-time volunteers, not career politicians.

Beverly Hills encourages community involvement through the Team Beverly Hills program. It also limits commission members to two terms totaling six years. Why then discourage new candidates for elected office by having unlimited terms?

Term limits will create more competitive elections, encourage more residents to run for office, and give voters a wider range of choice. Term limits will also provide voters with a regular opportunity for change which will bring new viewpoints, innovative ideas and fresh perspectives to our city.

Many cities throughout Los Angeles County have enacted term limits for their elected officials, including Los Angeles, Culver City and Manhattan Beach. It is time for Beverly Hills to adopt term limits for our elected officials.

This measure will also serve to reduce the power of special interests, thus improving our political process, and open our government to greater resident participation.

Please join 13 former Beverly Hills mayors, including two sitting councilmembers, in voting YES on Measure TL. It will improve our political process and open our City government to greater representation for our residents.

ELIOT FINKEL
Former City Treasurer

MARK EGERMAN
Former Beverly Hills Mayor

ROBERT TANENBAUM
Former Beverly Hills Mayor

NO ARGUMENT AGAINST THIS MEASURE WAS SUBMITTED.

The Human Relations Commission
of the City of Beverly Hills strives to promote
positive human relations in all aspects of community life.

We believe that the examination of diverse candidates and
challenging issues can be conducted with great civility.

While our schools may provide civics education in the classroom,
we citizens are obligated to provide our young people
with a real life model of positive civic behavior
that we teach by example.

We hope that every member of this community
will join us as we take a stand in support of
an environment where respect and responsible
actions prevail in all elections
and in every aspect of our community life.
