BHPD Motor Officer Receives Award

Beverly Hills, Calif. – In a thrilling display of skill and camaraderie, 30 Motor Officers from various law enforcement agencies gathered to compete in the Motor Officer Skills Competition held on March 16, 2024, in Bakersfield. Participating agencies included the Bakersfield Police Department, California Highway Patrol-Bakersfield Office, Daly City Police Department, San Jose Police Department, San Francisco Police Department, and the Beverly Hills Police Department.

The Motorcycle Skills Competition, designed to foster training and safety among Police Motorcycle Officers, also serves as a platform for supporting organizations dedicated to law enforcement officers and their families through charitable donations.

Recognizing the inherent risks of their profession, officers engaged in a challenging course while benefiting from cross-departmental learning and friendly competition. The course featured intricate patterns, including replicas of the Bakersfield Police Department emblem, requiring precise maneuvering to navigate without error.

Utilizing various motorcycle models, such as the BMW 1200RT-P and Harley Davidson Police Electra Glides, participants showcased their expertise. At the event's conclusion, accolades were awarded to top performers in both the Harley Davidson and BMW categories.

Officer Guzman of the Beverly Hills Police Department distinguished himself at the 2024 Bakersfield Police Department Motors Competition, clinching 1st place in the BMW Metric Division. His remarkable achievement amidst fierce competition underscores his dedication to training and preparation, embodying the highest standards of police motorcycle officers.
